Net qualifying value for excepted estates (G - H) **J £**

17.2 Tax district and/or income tax reference number **17.2**

If the value in box J is more than the excepted estate limit, you must fill in form IHT200.

If you find something has been left out, or if any of the figures you have given in this form change later on, you only need to tell us if, taking all the omissions and changes into account,

- the figure at box G is now higher than the inheritance tax threshold, **and**
- there are no exemptions to deduct which keep the value at box J below the inheritance tax threshold.

If, at any time, the value at box J is more than the inheritance tax threshold, you must list any new items and the items that have changed in a Corrective Account (form C4) and send it to us with a copy of this form along with a cheque for the tax that has become payable.

The issue of the grant does not mean that there is no inheritance tax due on this estate.

To the best of my/our knowledge and belief, the information I/we have given in this form is correct and complete. I/We have read and understand the statements above.

I/We understand that I/we may have to pay financial penalties if the answers to the questions or figures that I/we give in this form are wrong because of my/our negligence or fraud, OR if the estate fails to qualify as an excepted estate and I/we do not deliver a corrective account within 6 months of the failure coming to my/our notice.
